in a corpus of accumulation that led to
a systematic destruction of every linguistic mechanisms.

CHANNEL 309 is the experimentation of the flesh
witnessed by the eye that becomes a tangible bodily place
in which the "Other" is experienced,
in this dimension all exists in potentia in every human Act.

CHANNEL 309 performs a work of no-personality,
it's not a project of language or style,
it's a stream a consciousness.

CHANNEL 309 is an ayinic act.

CHANNEL 309 is a rejection of creation as an art for its own sake.
The square stain, the action of the eye, to see is to create.
Innovation passes through the discontinuity.

that will be the statement itself of the action.

All the phenomena which are reproduced
are impermanent.
All things polluted
are miserable.
All is empty and without self.

If you can't identify the thing imputed
you can capture the non-existence of it.

We are not what we are.
